Volume XXXV

F.H.S. – "On The Move"

Foreword

THE BLUEPRINT CONCEPTION OF A NEW SCHOOL BECOMES A REALITY.

Concrete and wood and glass blend into a fresh and

shiny building, a place of learning. But

somehow, this will only be a shell

until eager students romp and

stomp through its halls

bringing all of the

TRADITIONS, CHALLENGES, AND FUN

of the old school

to give it

LIFE!

FOR A NEW SCHOOL IS A LOYALTY AND AN EMOTION . . . . . .

. . . . . NOT JUST A HOMEWORK FACTORY WITH TEACHERS FOR FOREMEN.

This

COMBINATION

of OLD and NEW

will bring pride and

vigor to FHS so that we

will be ON THE MOVE in more

ways than one. Literally, our

student body will be transplanted to

thrive in new surroundings. But more than

that, we will continue to reflect the theme suggested

throughout the following pages, the concept of progressive

EDUCATION and worthwhile ACTIVITIES to produce a well-rounded

young adult. With this in mind, relive a vital and wonderful

high school year, truly a time to remember.....FHS--ON THE MOVE!

SPELLS WORK

"Oh Please Mark, that tickles."

"Duh, I don't believe I saw that last basket."

IT WAS JUST ONE OF THOSE DAYS

"Where did that come from?"

"One, two three---kick higher, girls."

Student Life

"We have to get every one of those pesky spiders."

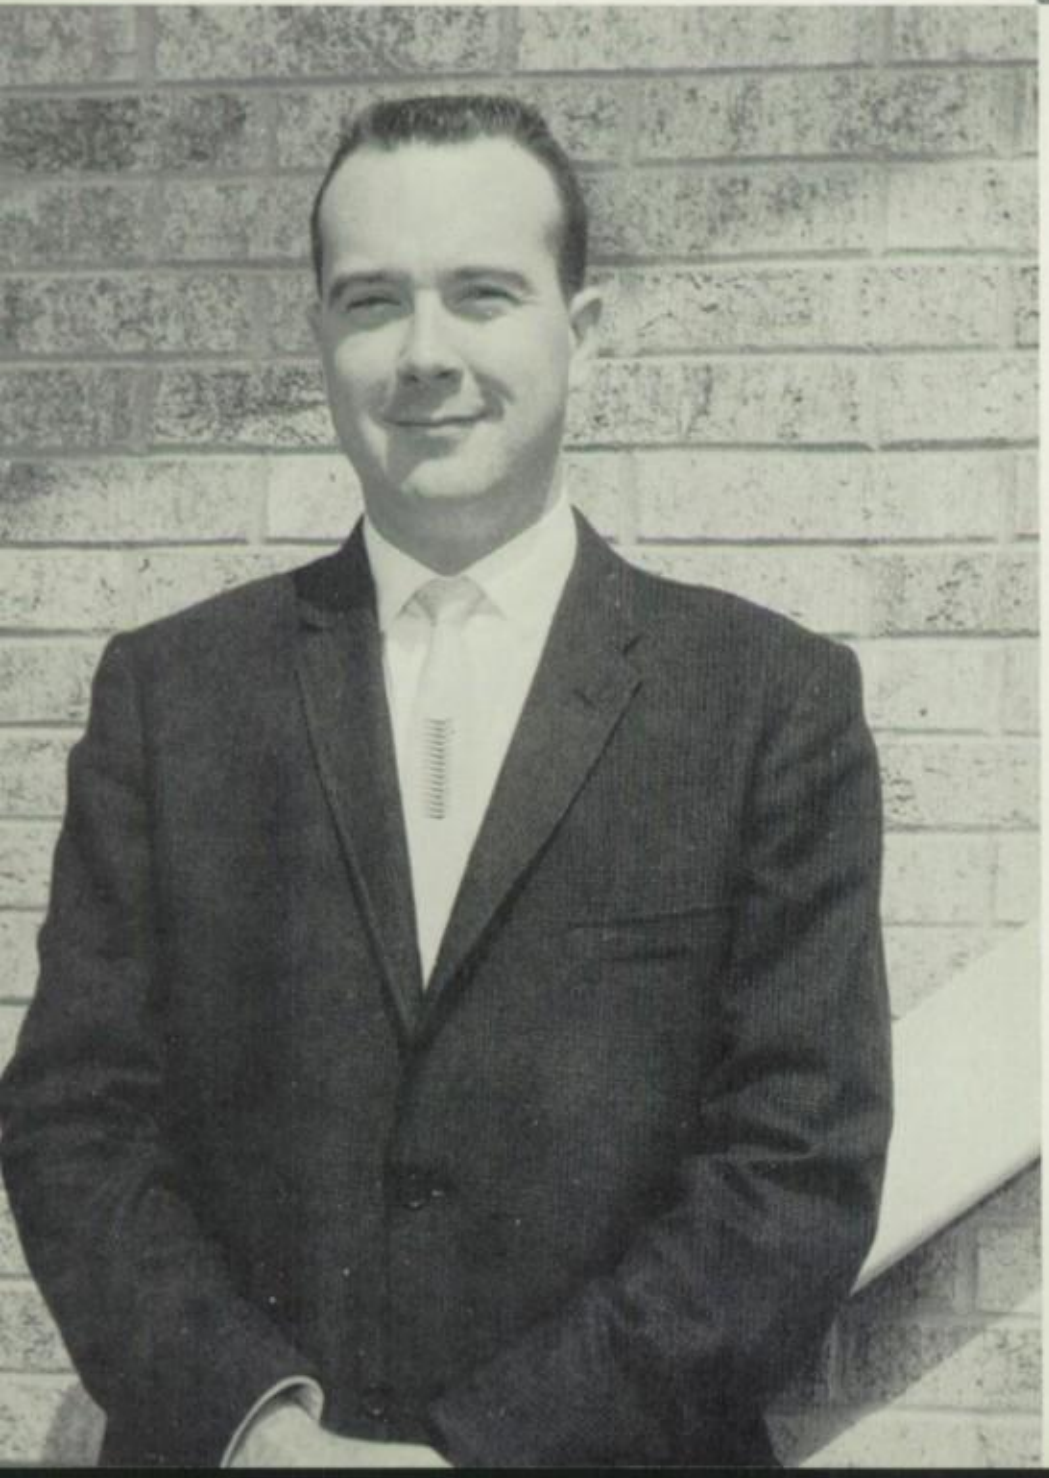
"Did you hear about....?"

"If I can just get my head into this hole, maybe Mr. Westerfeldt won't find me."

"What did you call me?"

Dedication

to EWELL SESSOM, who has worked hard to mold students' athletic capabilities into inspired team efforts and outstanding individual performances . . .



. . . and to TOM C. RHODES, who has striven to develop the best musical talents in students and who has succeeded in organizing one of the finest bands in the state.

Both have contributed to putting FHS - ON THE MOVE!

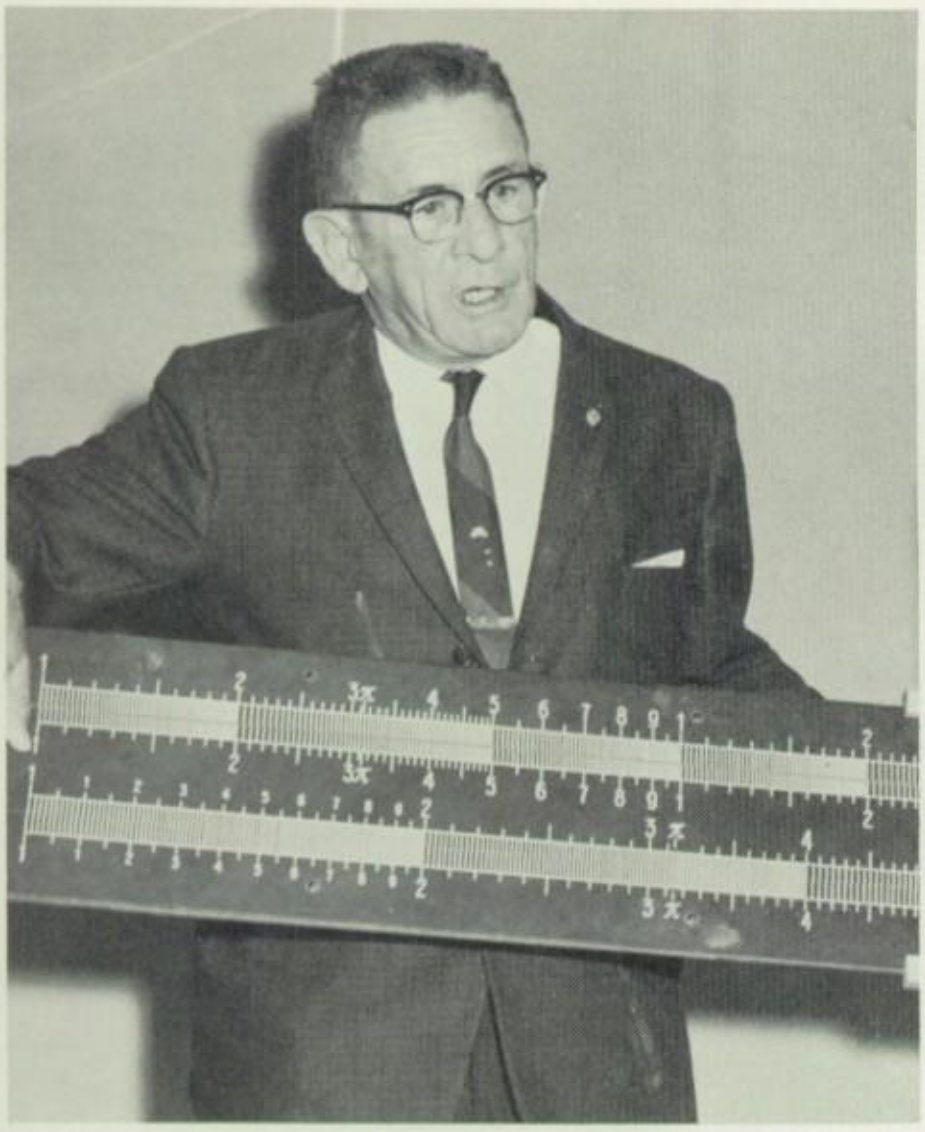
FACULTY

"All right, mullethead, and then what happened?" asks EARL STOBAUGH in one of his shop or mechanical drawing classes.

MRS. ELIZABETH WILDER, who teaches Spanish and American history, can be heard to say to a rowdy class, "Caliete y sientese ustedes."

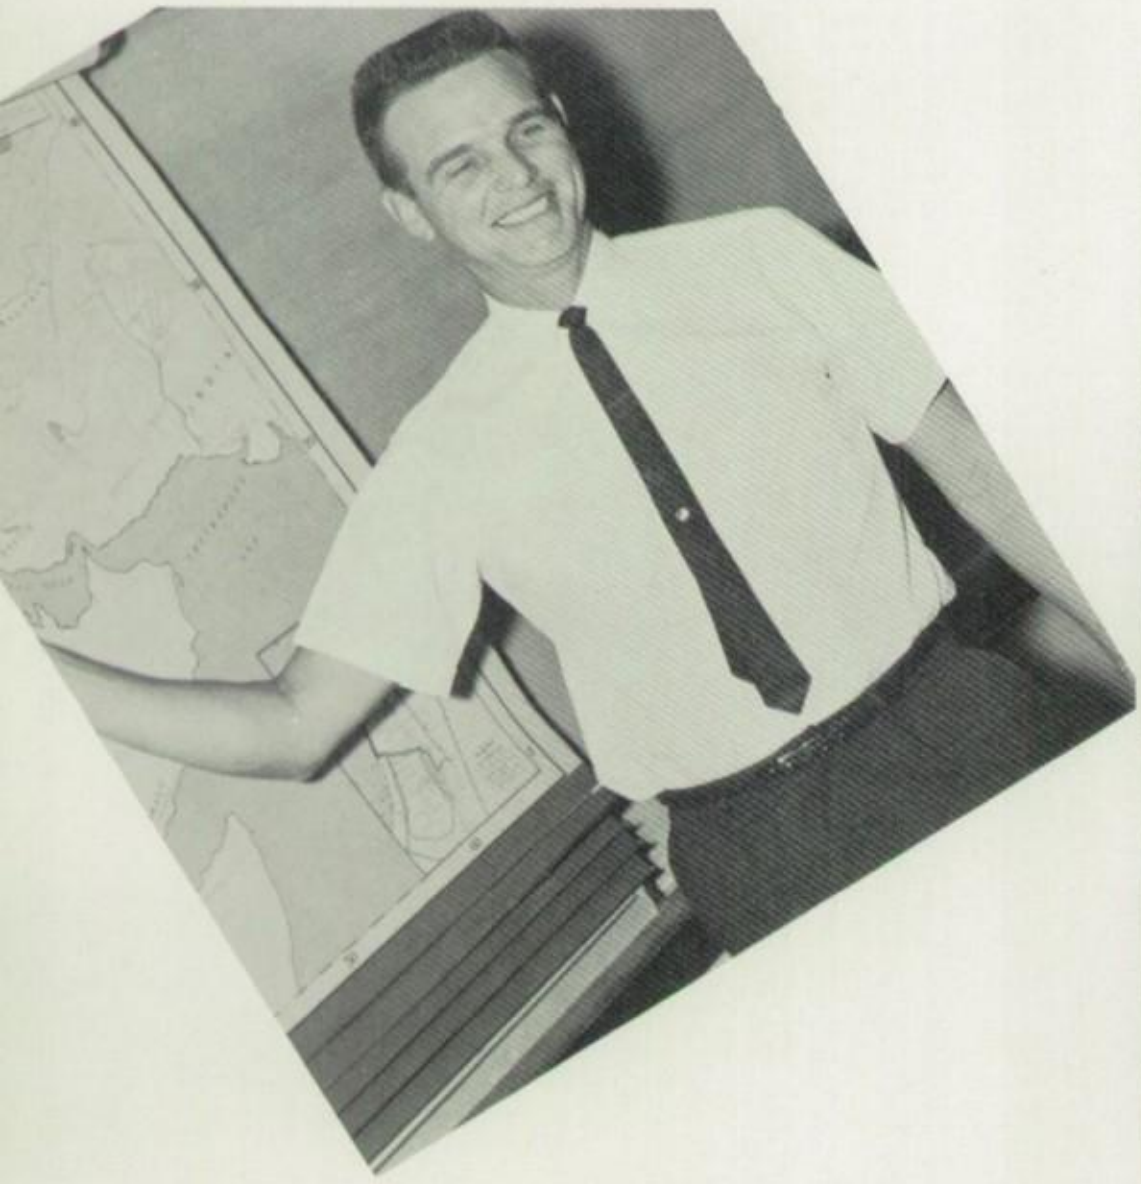
Students hear "Ich und du und Mueller's koo" from MISS ELLA GOLD, the German teacher.

ROBERT SIFFORD, agriculture instructor, warns, "O.K. boys, let's clean off our boots before we go to the next class."



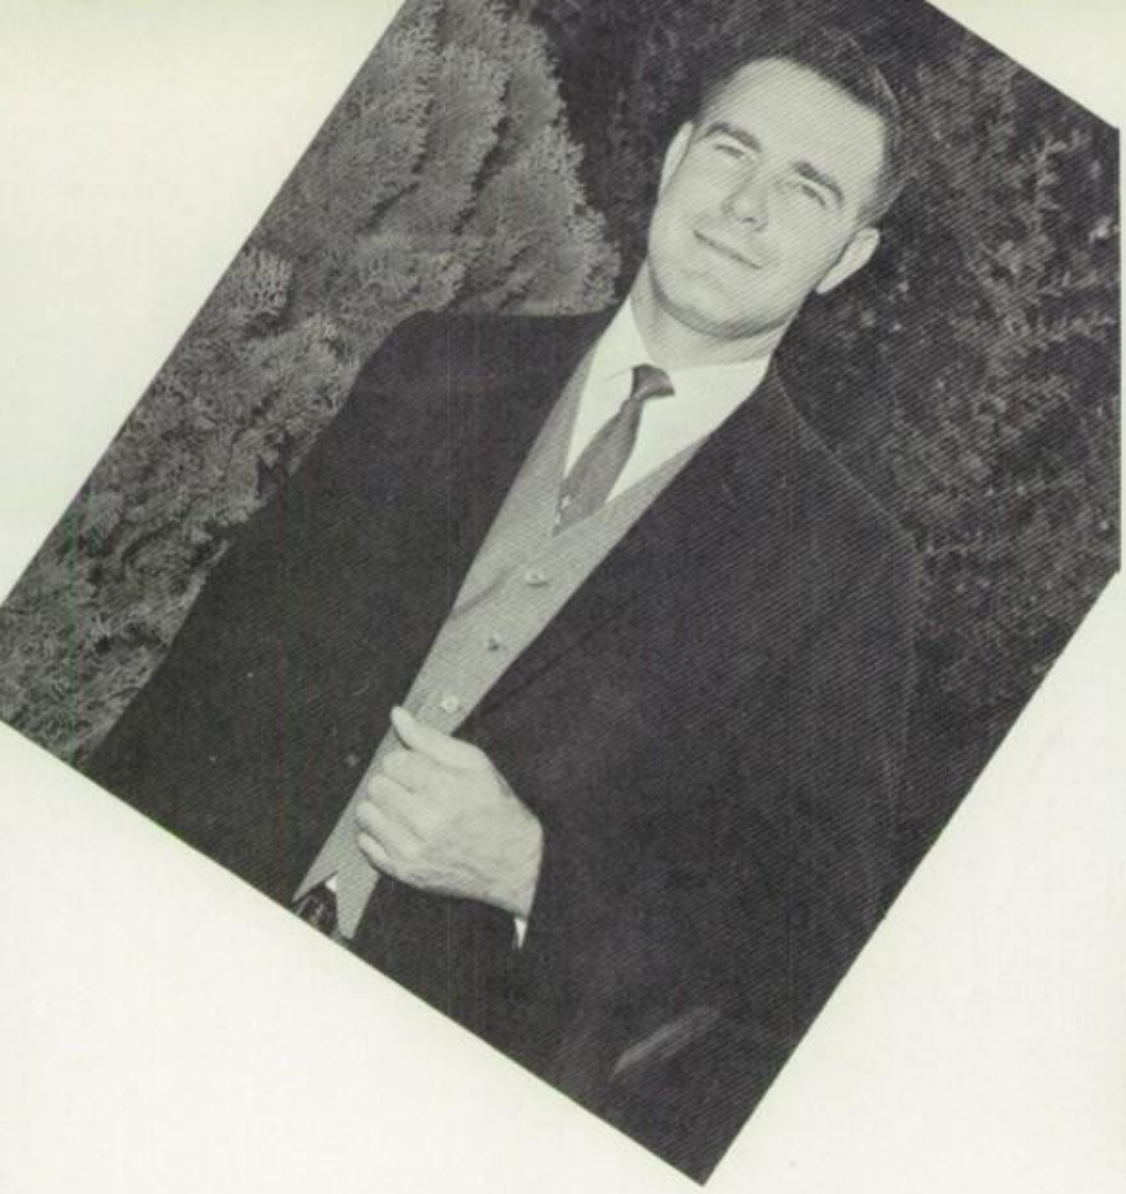
Algebra, trigonometry, and geometry is the region of HERBERT HAAS, who says authoritatively, "I'll tell you how it is."

As BOB SEMMLER, English, speech, and bookkeeping teacher, flattens students in the hall, he will remark, "Squeeze me, not excuse me."



"Now how do you expect to know what Aeschylus did if you can't even pronounce his name?" asks CARLIN WICKER of his world history class.

"Let's get organized," relates MISS BETTY JOYCE PETERSON, girls PE instructor to the heap of tangled girls on the basketball court.



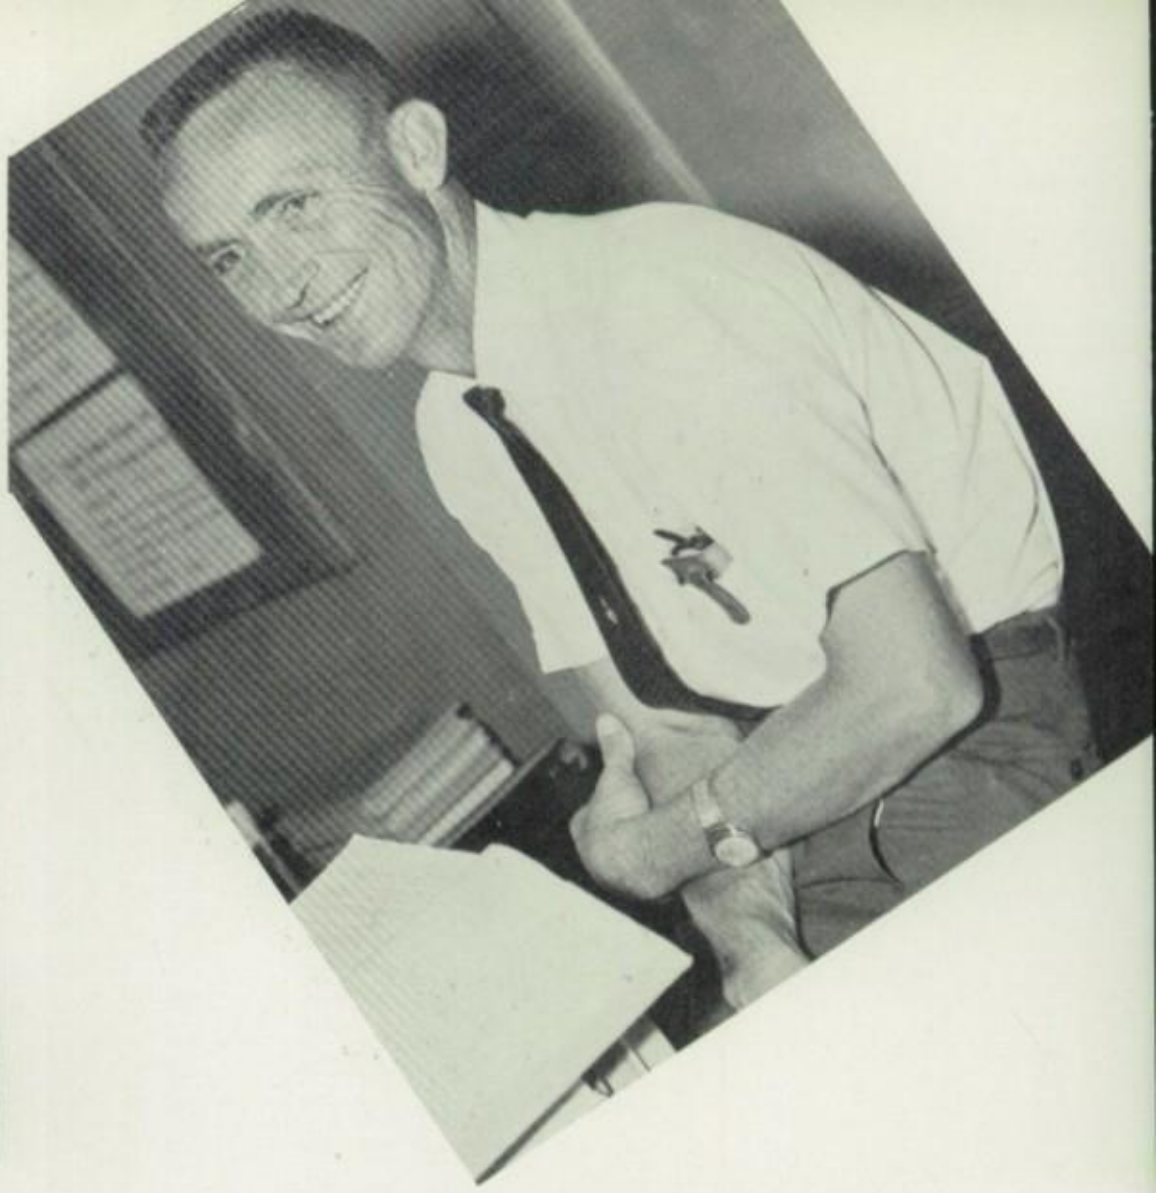
In the environment of his English III classroom, ALBERT FEHRENBACH's theme song resounds, "Give me a concrete example."

MRS. CYNTHIA BAUER claims, "I just can't face my civics and American history classes until I have some nice hot coffee."

Tip-toeing across the library, MRS. ESTHER WEAVER, German teacher and librarian, whispers, "Shh, there are people trying to study."

TOM RHODES commands the band with self-confidence, but admits, "I always stick my foot in my mouth."

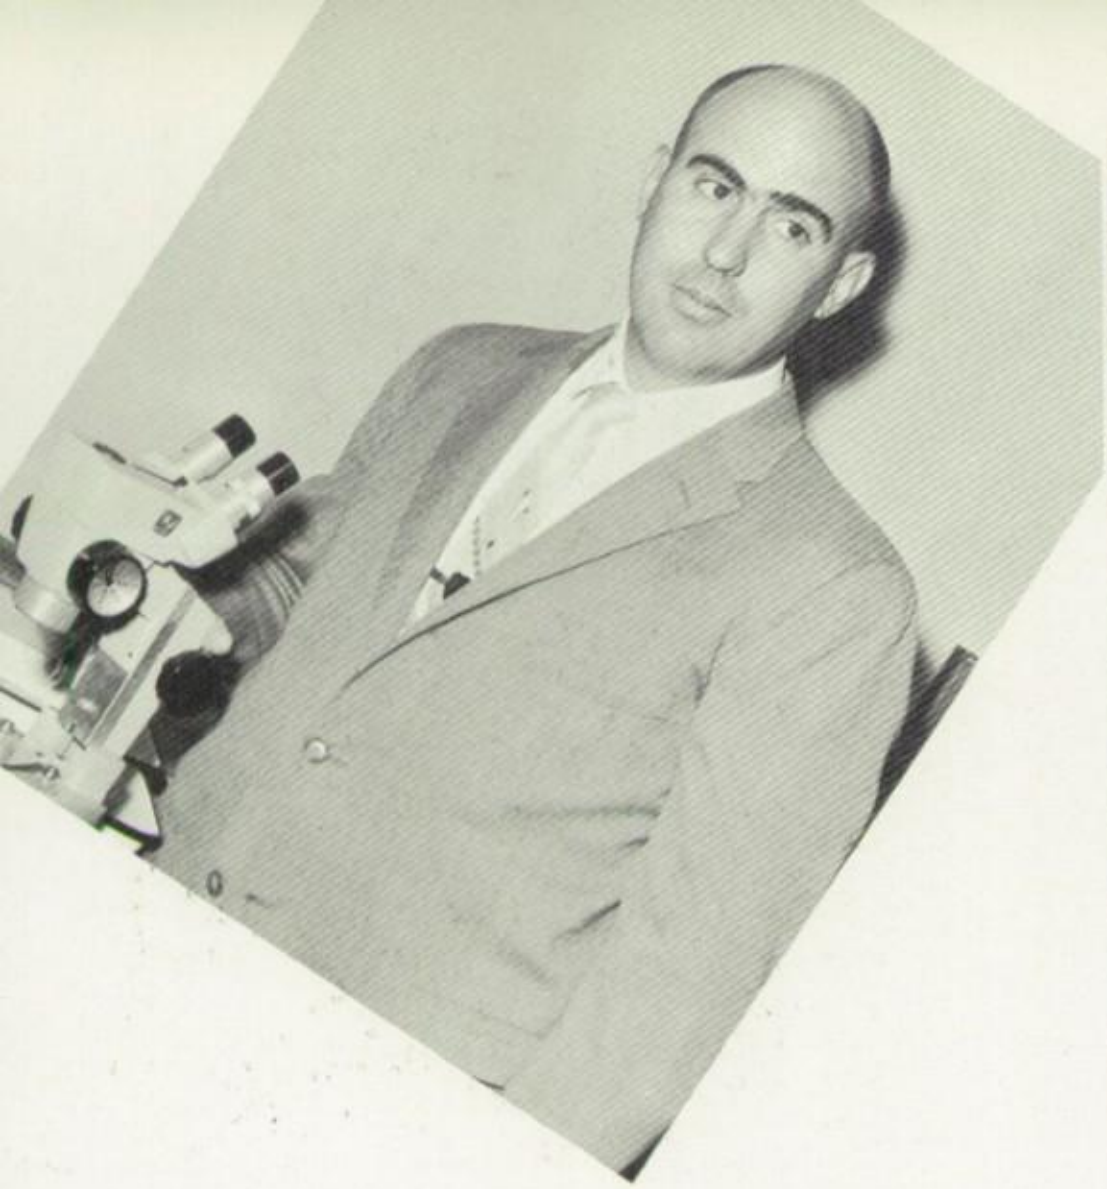
MRS. VIOLA MAE GOLD sets the example for typing students while chanting "f-f-f-space, j-j-j-space."



"Sure I can smile," grins EWELL SESSOM. "I don't have to take algebra, just teach it."

"But this is simple!" booms HUBERT NIXON to his dazed chemistry and physical science classes.

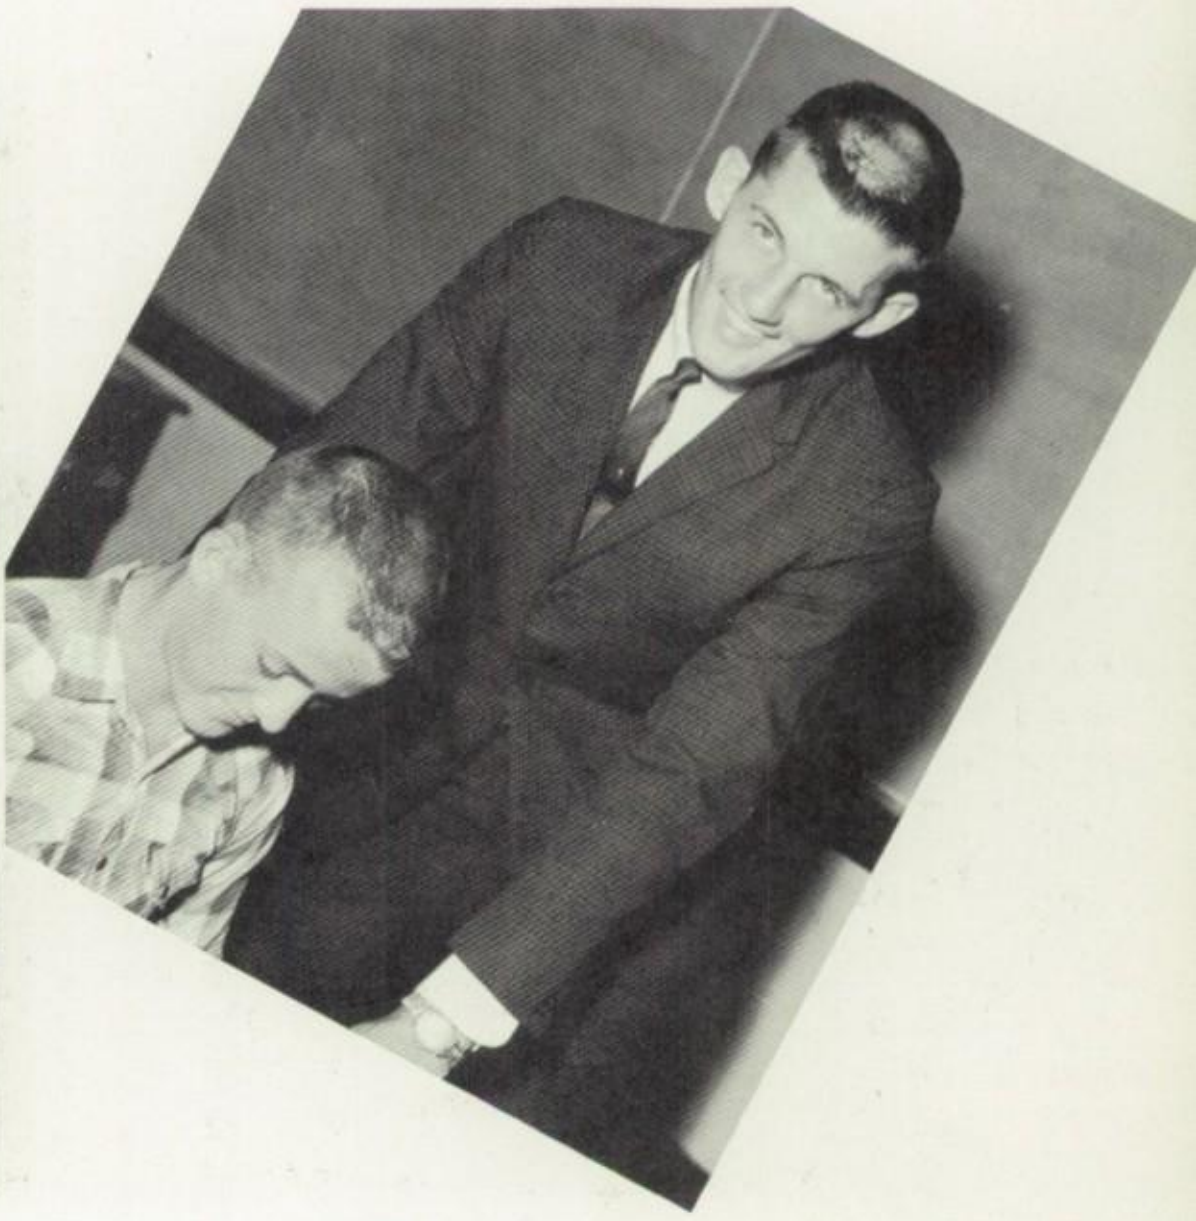
"All the world is full of 'great expectations' smiles MISS ESTHER MUELLER, "and that's the name of the next novel we're studying."



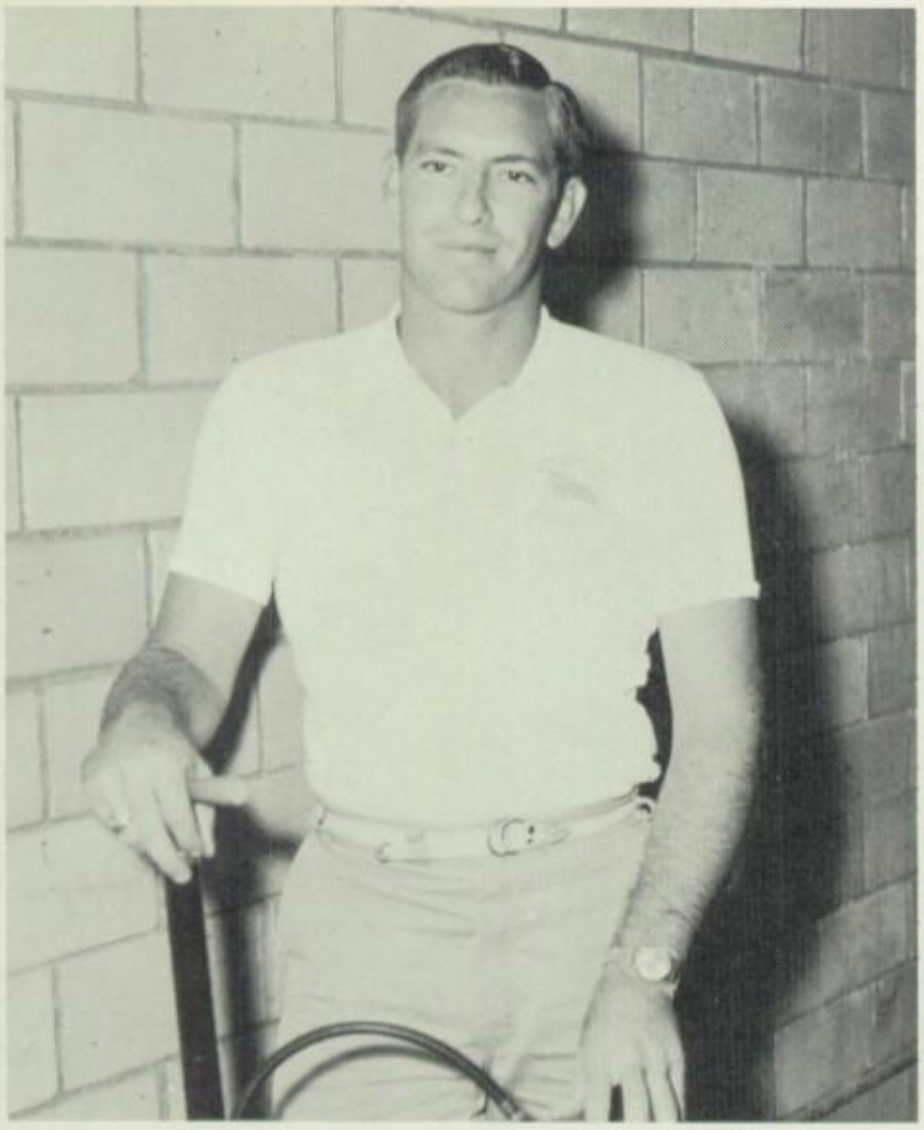
In vain ELBERT SCHMIDT admonishes his biology classes, "Let's keep it down to a low roar."

MRS. DAISY MASSEY politely proclaims, "The good home economics student uses the best table manners and learns to like all foods."

"No," says OPHELIA WEINHEIMER to her English II class, "He ran is not a compound-complex sentence."



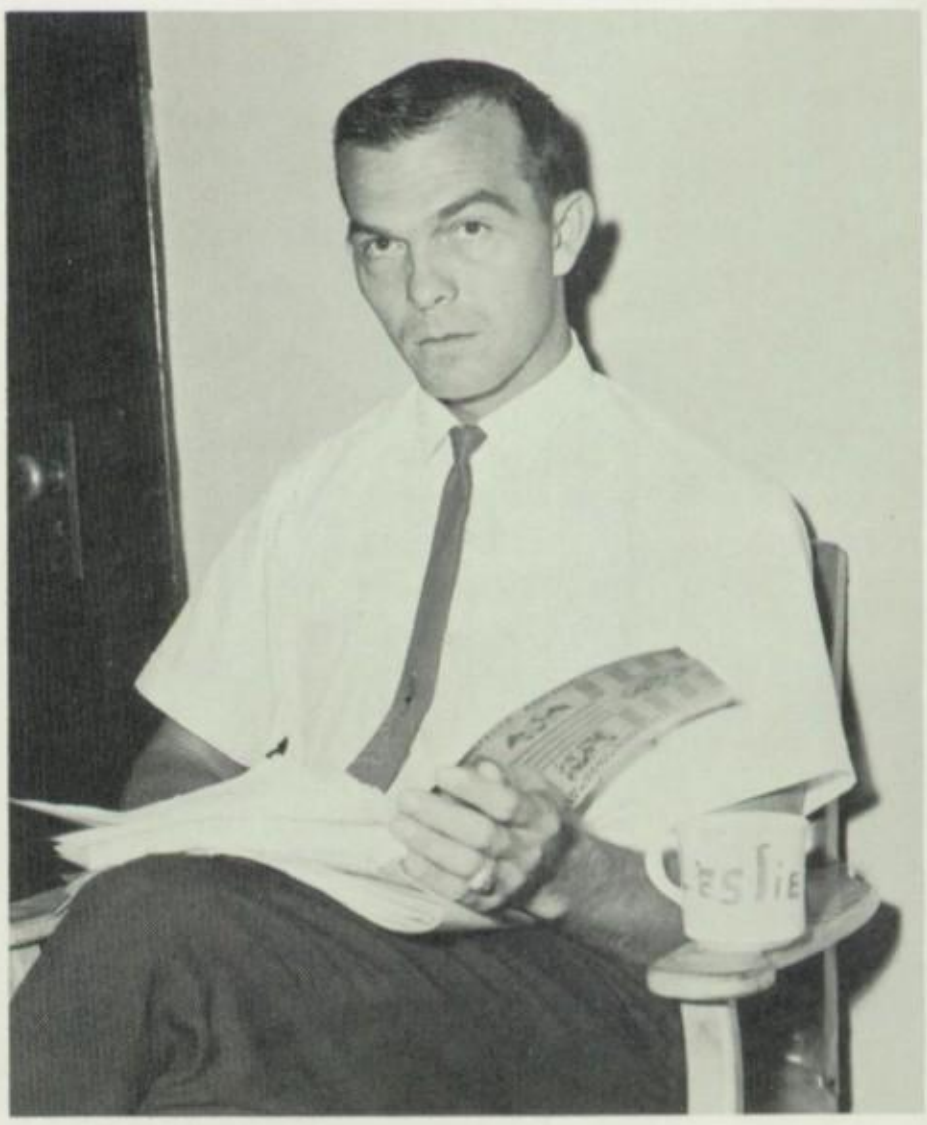
REX GLOVER points out in the algebra I textbook, "I teach math because I like figures. Savy?"



DELBERT WILSON, first year faculty member, exhausts his PE classes with "Exercise 1-2-3-4-1-2-3-4."

MISS SARAH LEWIS, encouraging her home economics classes to hurry, speaks in broken Chinese dialect, "Chop-chop."

JOE TATUM looks stern while telling his ag boys, "Now let's behave ourselves at this next Livestock Exhibition."



LESLIE PHILLIPS, DE instructor, assures his classes, "The customer is <u>always</u> right."

SENIORS KEEP FORWARD PACE

CLASS OF 1964

OFFICERS, Left to right, are Teddy Mumme, President; Kay Keller, Treasurer; Ilene Rode, Secretary; and Larry Ottmers, Vice-President.

SPONSORS, left to right, are Bob Semmler, Earl Stobaugh, and Mrs. Elizabeth Wilder.

As the high school life of the SENIOR CLASS terminated, countless memories vibrated through their minds. The busy and fun-filled hours the class spent working wholeheartedly to give a moon-lit prom in the junior year; the other dances and get-togethers; and that good ol' biology trip to Austin were all unforgettable. Being the very last seniors to graduate from the aging and crowded FHS high school building, many seniors relished the memories of the roof caving "in," or the floor caving "out," or the overcrowded classrooms, and all the joys and shocks that went with them. The victory cries, the pep rallies, and the football games were also unforgettable moments.

Yes, the SENIORS of '64 will always cherish these golden moments of school life as they step out into a captivating world.

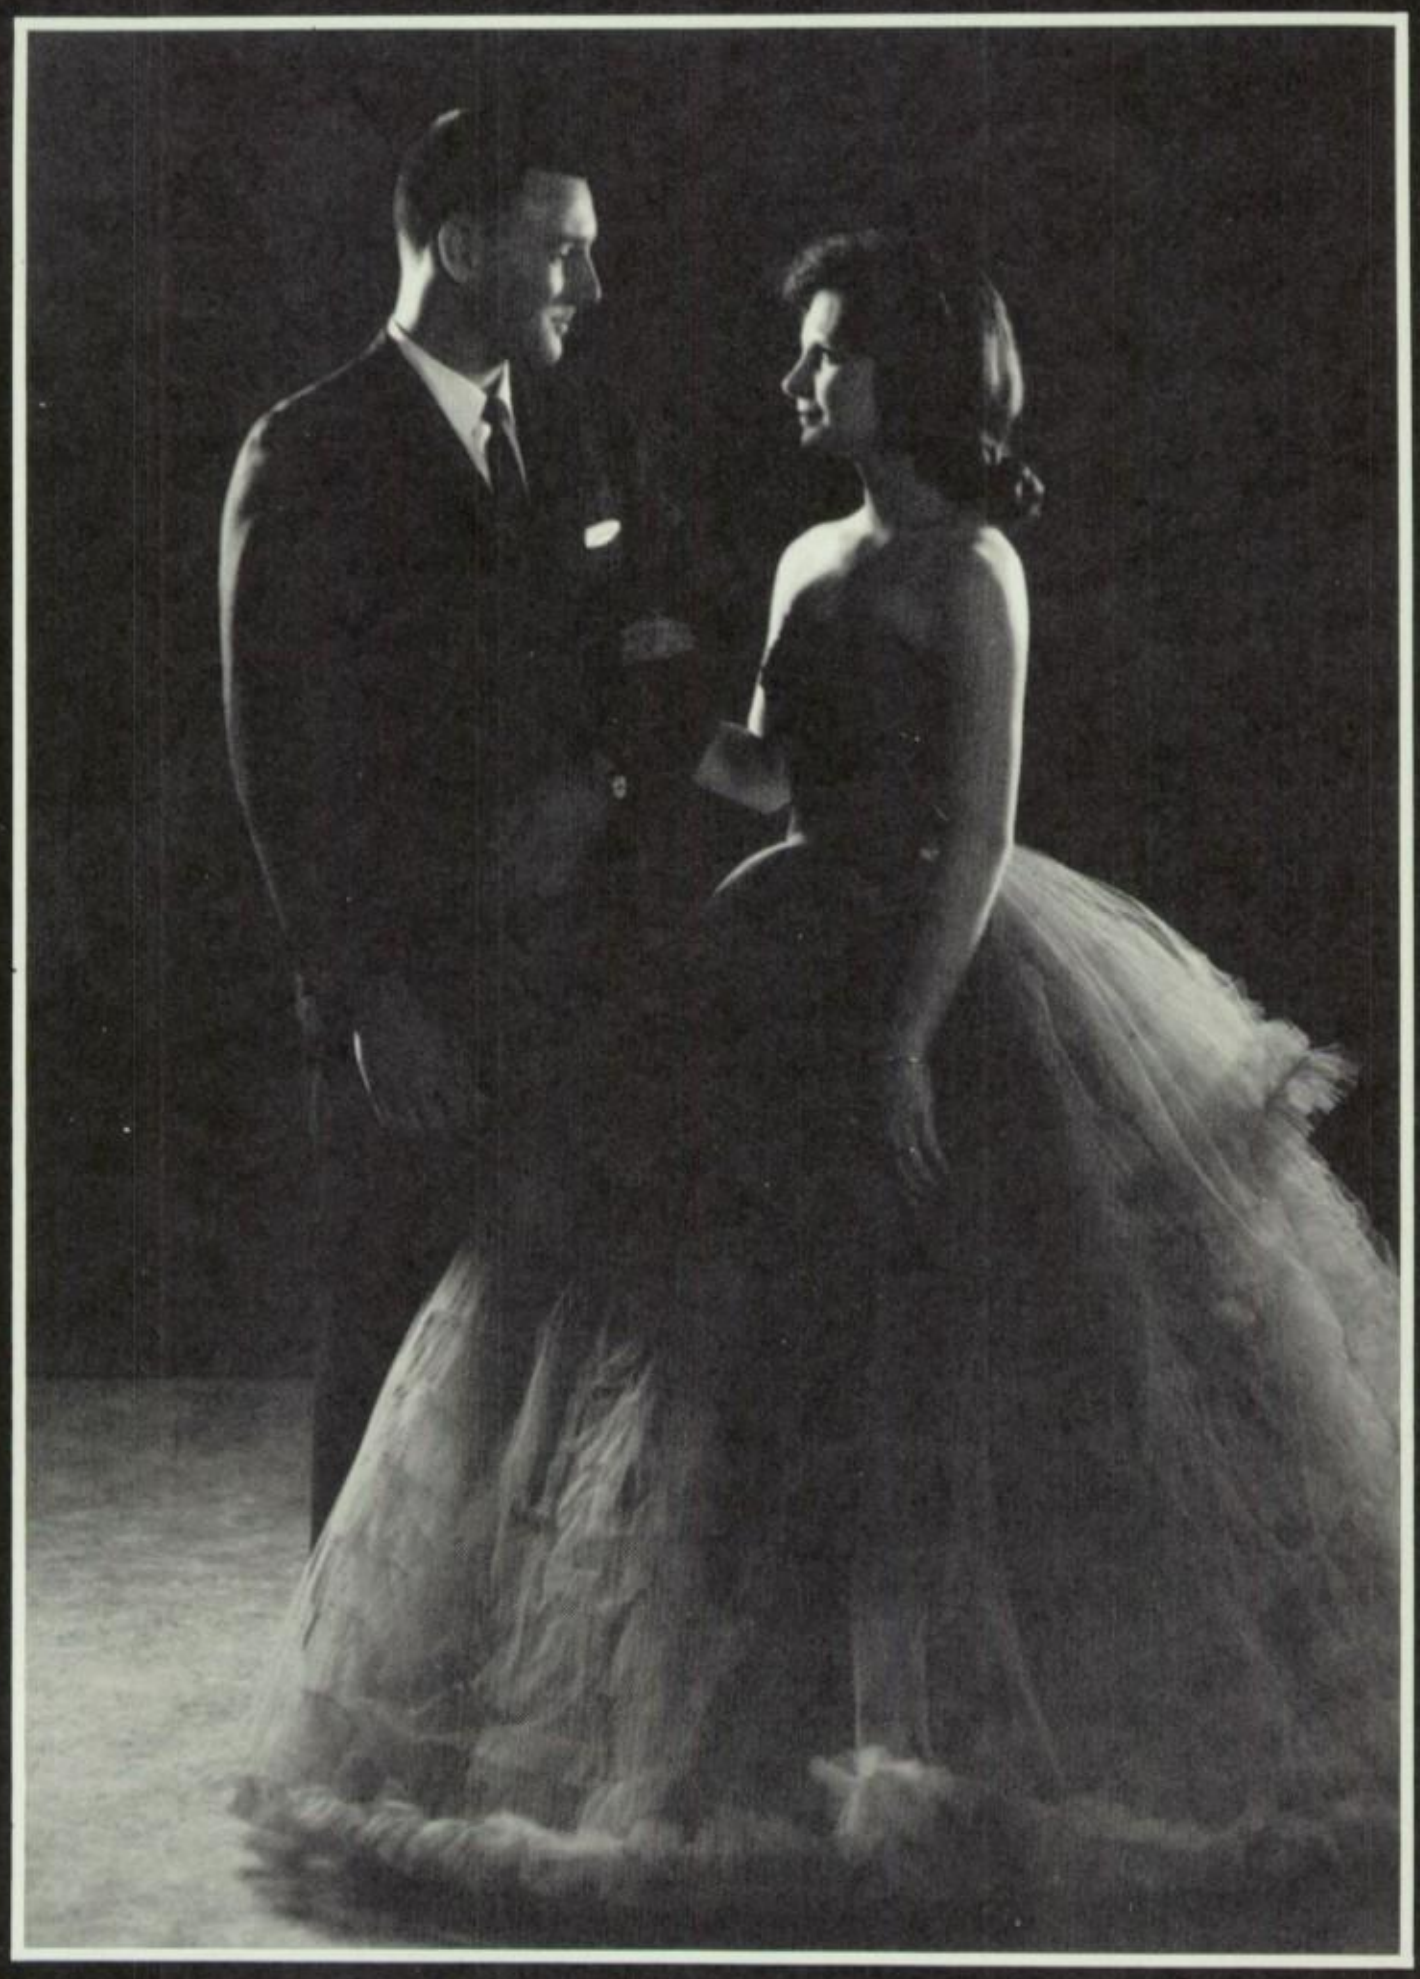
Three FHS Seniors represented the Gillespie County Fair Association in many parades and other events. Rita Neidigh (center) was Fair Queen. Karen Stobaugh (left) and Jennabeth Klett (right) were chosen Duchesses. These three girls adorned the prize-winning fair float.



Juniors

JUNIORS FIRST TO REIGN IN NEW FHS

CLASS OF 1965

OFFICERS, left to right, are Jean Feller, Treasurer; Jerry Gold, President; Karen Heinen, Secretary; and Dor Brown, Vice-President.

SPONSORS, left to right, are Herbert Haas; Mrs. Edgar Gold; and Mrs. Cynthia Bauer.

As the JUNIOR CLASS took their last look back, they smiled and thought of the coming year when "they" would be THE seniors. And yet, they were a little sorry because so many exciting moments were already past, such as the fatiguing hours they went through to give the seniors '64 the best prom yet, or the times they were sent out of English class. Then there were gala events like dances and hops in which the whole class participated. Certainly the JUNIORS will not forget the many tests and exams they enjoyed complaining about. One thing for sure, the JUNIOR CLASS did stick together during pep rallies, for their booming voices echoed through the buildings every Friday.

Yes, looking back, the JUNIORS recalled so many high school days filled with excitement and work. But looking ahead, they saw themselves garbed in senior gowns as "the first seniors to graduate from the new FHS."

SOPHOMORES RISE TO STRONGER STATURE

CLASS OF 1966

OFFICERS, left to right, are Charles Koenig, President; Rosalee Hanshaw, Treasurer; Dennis Friedrich, Vice-President; and Jerleen Nielsen, Secretary.

SPONSORS, left to right, are Leslie Phillips, Mrs. Opehlia Weinheimer, and Hubert Nixon.

At the close of another exciting school year the SOPHOMORE CLASS breathed easy as it completed an exerting year in biology. Among their favorite memories were the unforgettable days spent in English I and II. They did have fun! Still young at heart, many SOPHOMORES recollected with a smile, an eraser fight in a teacherless classroom or a water fight in the hall. This energetic class was very active in their school work as well as numerous other activities. Within the SOPHOMORE CLASS much creative ability was displayed. They displayed this talent by the unusual artistry used in their western dance background.

Yes, with two years of high school life behind them and two to go, the SOPHOMORES felt "just so fine."

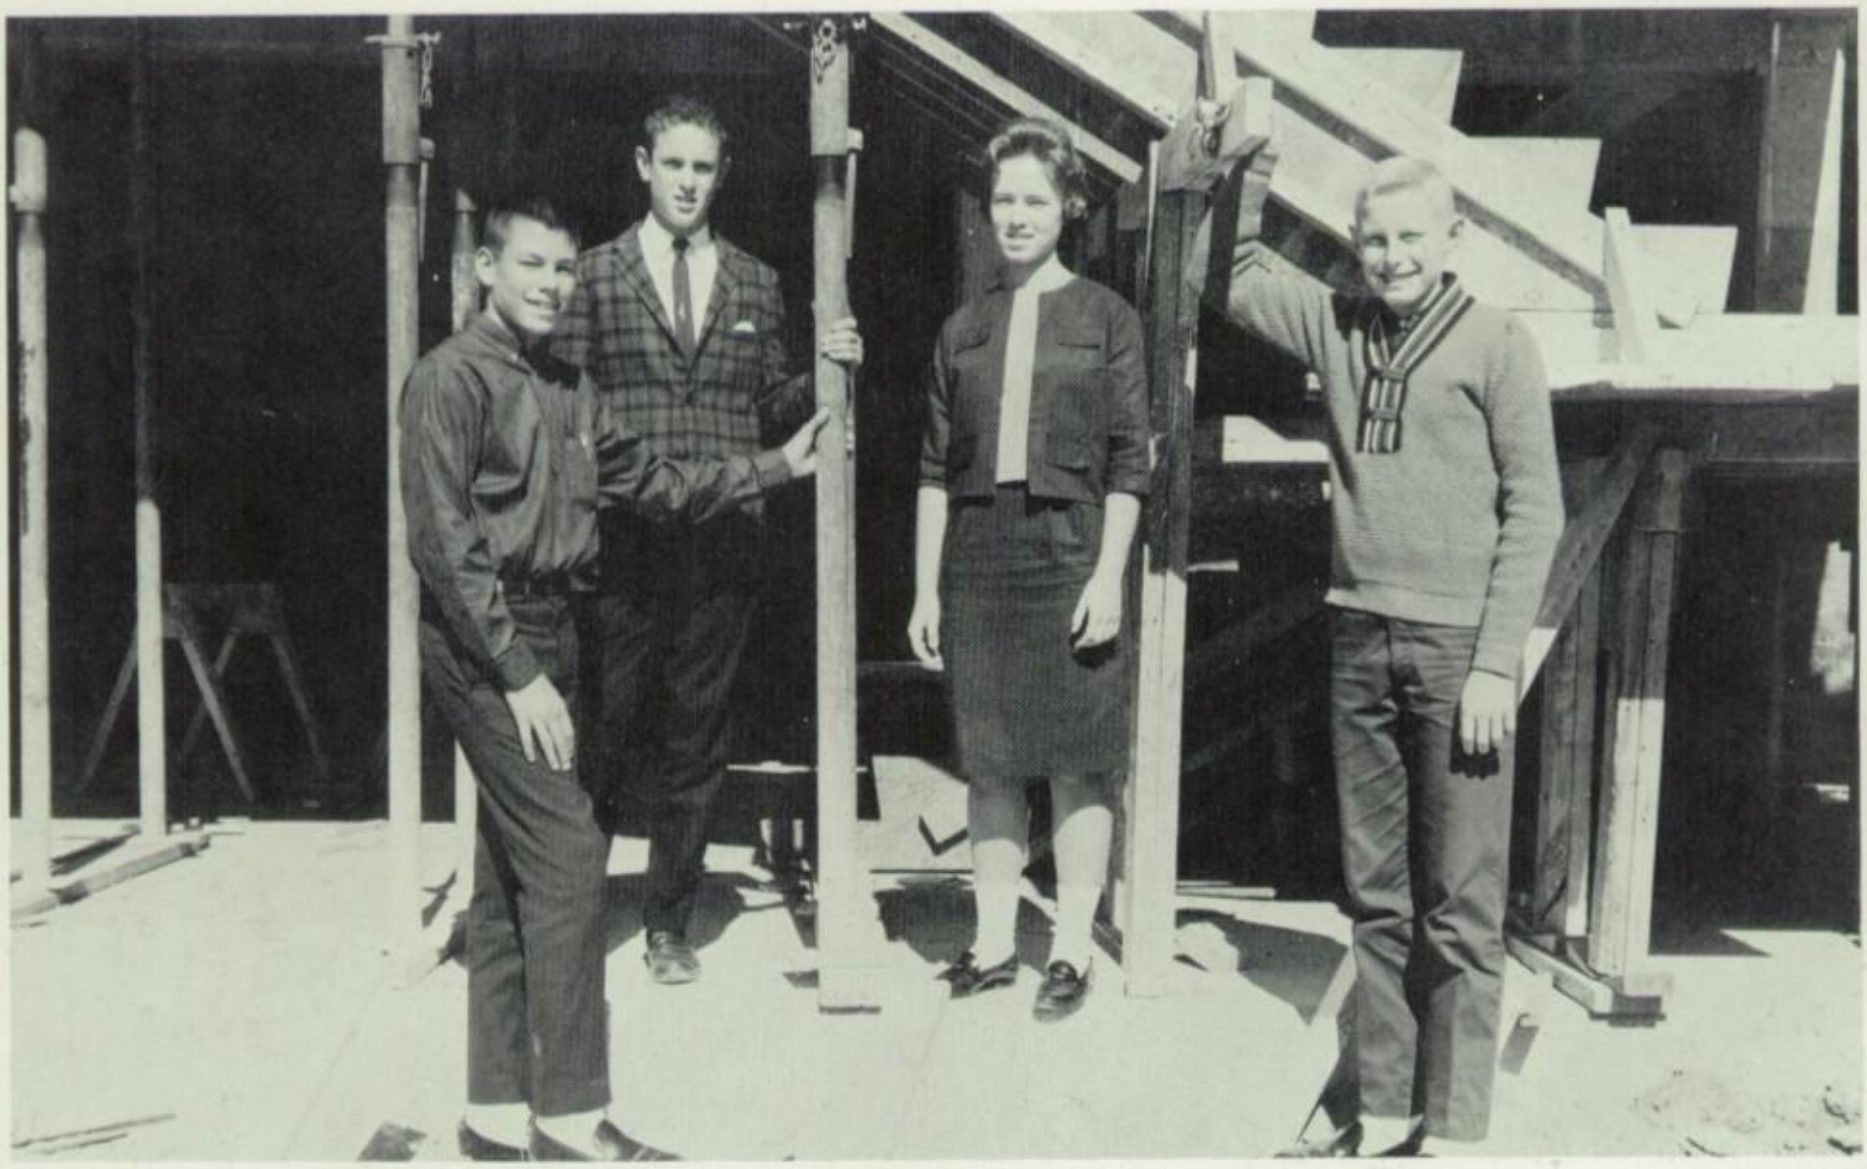
FISH SEEK PRESTIGE IN FIRST YEAR

CLASS OF 1967



OFFICERS, left to right, are Don Hurst, Treasurer; "Happy" Feller, President; Carol Ann Feuge, Secretary; and Clyde Henke, Vice-President.

SPONSORS, left to right, are Carlin Wicker, Miss Betty Peterson, and Elbert Schmidt.

It did not take the FRESHMAN CLASS long to get into the swing of activities and studies. The seniors saw to that! Greeted with an invitational outing, the freshmen were soon royal slaves. But they were good-natured about it all and soon fitted into their high school life. Everything was new and exciting; so different from their junior high days when boys pulled pig tails and girls thought boys were "creeps." Being the largest class in high school, the freshmen added much school spirit to the freshman battle cry.

Yes! with one year finished, the FRESHMAN CLASS is eagerly looking ahead to the remainder of its high school life in the new FHS building.

INITIATION WELCOMES FRESHMEN AND NEWCOMERS

Freshmen and newcomers are classified and form lines for initiation led by student council.

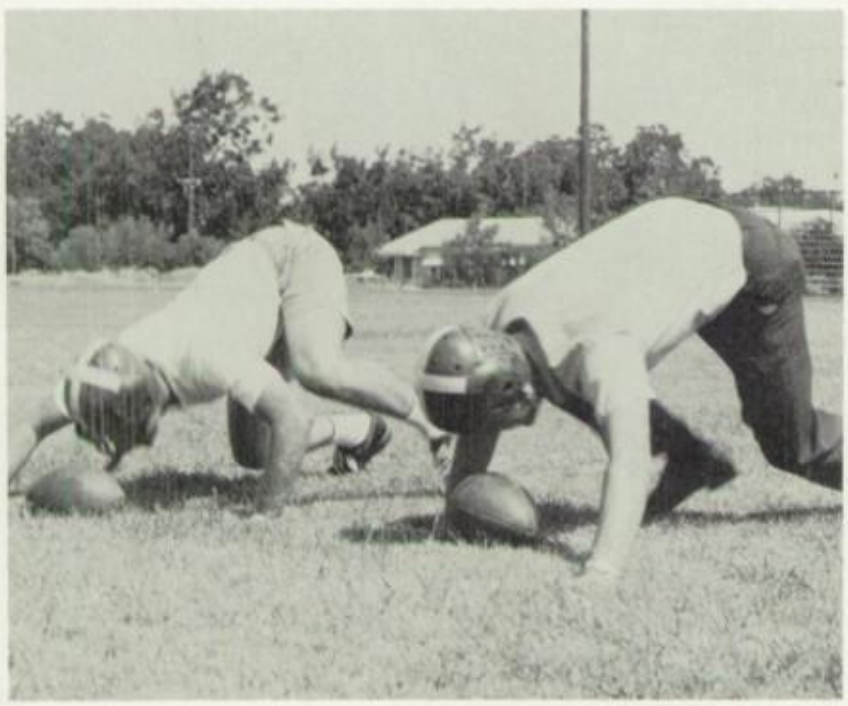
Stunts delight sophomores, juniors, and seniors watching from bleachers.

August training paid off (?) for new football players in leap-frog race.

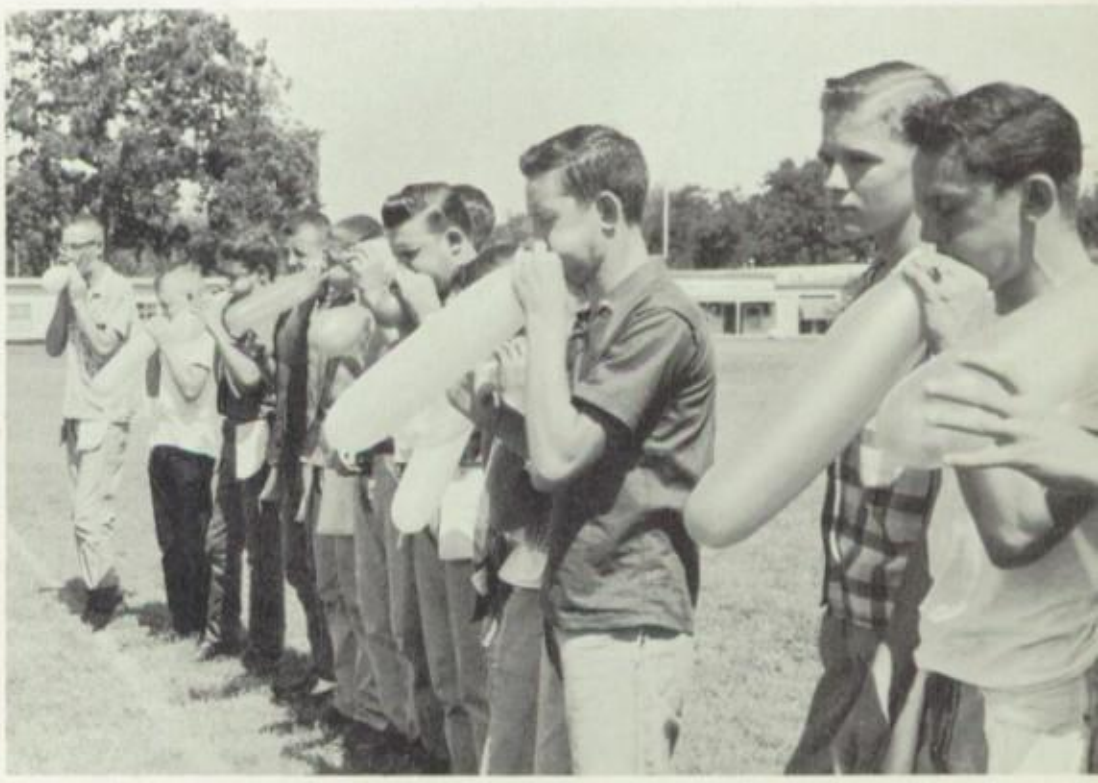
"Timmy, you're out of step, er head, oh forget it!" Fish band members participate in wheel barrow race.

Oh, To Be a Freshman Again!

Greenhands display milking talents minus the most necessary item.



Coaches Wicker and Wilson race by pushing footballs with their heads.



Fish and newcomers blow balloons to decide just who is full of hot air.

In the shoe scramble, it's no wonder students come out thinking they have two left feet.

"Far above the vales and water, in our hills of home,
Stands our noble Alma Mater . . . Never our hearts shall roam . . .

Billies seem to reflect on the approaching game during playing of "Alma Mater."

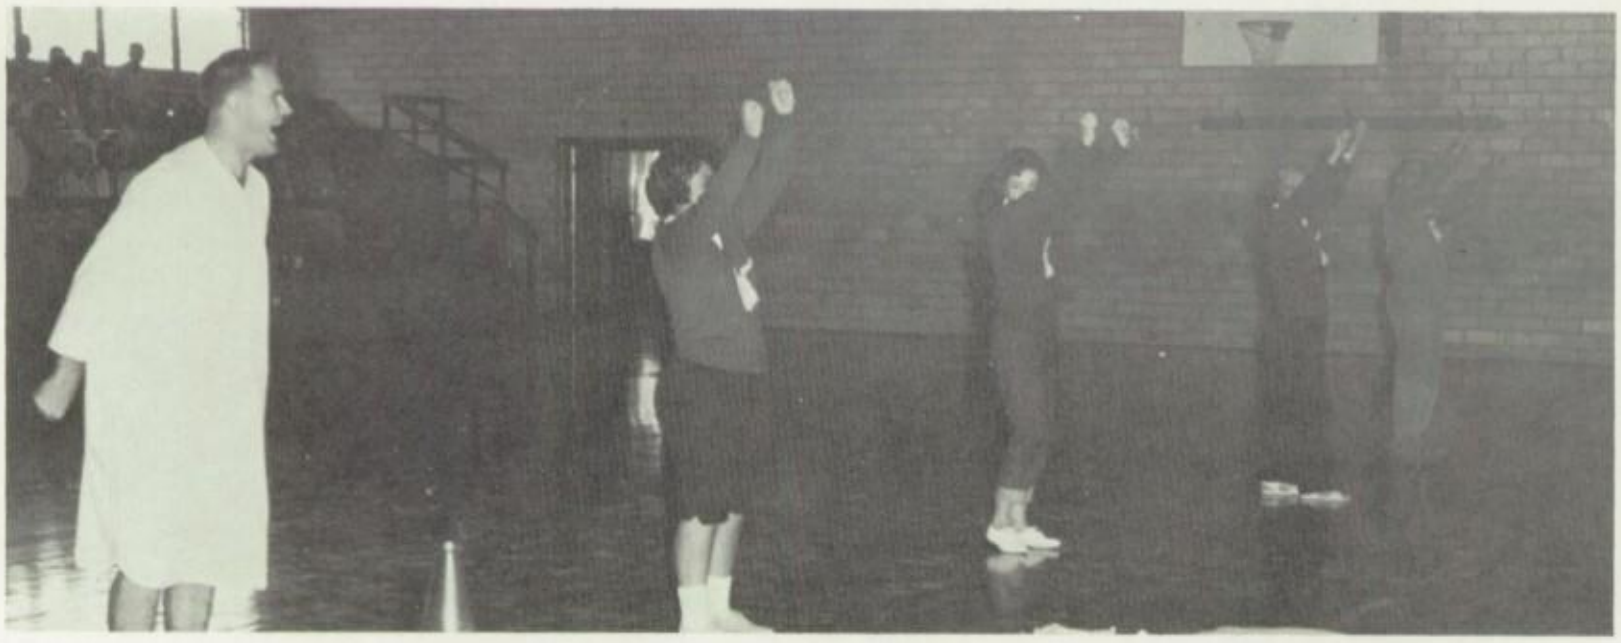
Pep Rallies '63
Spark School Spirit

Twirlers perform to spirited march played by the band. During these programs the band often contributed a loud "CHARGE" to rally support for the team.

Cheerleaders give "all" to back Billies. Their yells and skits delighted the student body.

Stand forever, vanish never, Thee we will not fail,

Hail to thee our Alma Mater; F.H.S.! All Hail!"



We lose more good teachers leading yells at Pep Rally! "Oh, my aching back," comments Mrs. Bauer or "Mrs. Tubbs," as she was introduced that day.

During skit, Mr. Westerfeldt claims his belongings from Bettye. Coaches were also shocked that their personal effects were on display at the rally.

CLEOPUTRID reigns in skit for the Llano game.

"Oh, it's almost time to go back in," remark the Billie cheerleaders. "Carol, what's with ah-er-koff make up?"

PTA Carnival
Fall Highlight

PTA officers and committee chairmen work hard to make fall carnival a success.

Oompah! Oompah! Go the senior band members in the "talent" show.

"We're joining the "Rockettes" right after the show," say the senior football players.

Booths

Prizes

Mexican Food

Hamburgers

Shows

Movies

"Oooh that smarts!" Bettye Feuge, Barbara Ahrens, and Stanley Barnes display medical skill in Ben Casey skit.

"Kerplunk goes the tablet" seems to be Mr. Semmler's theme song at the "fish" dunking pool.

FOOTBALL BANQUET HONORS 1963 BATTLIN' BILLIES

Football boys and their dates admire the decorations.

Pep Squad President Elaine Kneese presents 1963 "Football Hero," Roy Smith.

Tri-captains Teddy Mumme, Jerald Klett, and Roy Smith announce "Football Sweetheart," Kay Keller, and give her a trophy and gift.

Sharon Langehennig, Candy Andregg, and Carla Hein, accompanied by Annabelle Kasper, entertain at the banquet.

1963-64 Cheerleaders present Mrs. Bauer with a gift and a pair of useful, but short crutches. Mrs. Bauer announced that Betty Feuge was chosen Head Cheerleader.

ON THE FIRST DAY OF CHRISTMAS THE SENIORS GAVE A DANCE

Everyone really seemed to enjoy the Christmas Dance.

Every Christmas dance needs a Christmas tree, and the senior dance is no exception.

Freshmen and their dates line up for refreshments.

What better place to wait for the next dance than under decorations proclaiming the second and third days of Christmas?

Funny, everyone seems to be steering clear of the kissing ball.

SWEETHEART DANCE SOLOS STAGE BAND

The music of the FHS Stage Band seems just right for dancing at the Freshmen Sweetheart Dance.

Happiness and surprise shows on the faces of the class favorites who were announced at the dance.

SOPHOMORE LUAU HAS TROPICAL MOOD

At Luau Dance students sport leis and "native" clothes.

Kennie asks, "Are you sure apples are tropical?"

New combo composed of Billy Jung, James Lawrence, Kennie Klaerner, Riley Osbourn, Larry Branum, and Mike Roberts entertained.

Are the natives restless tonight?

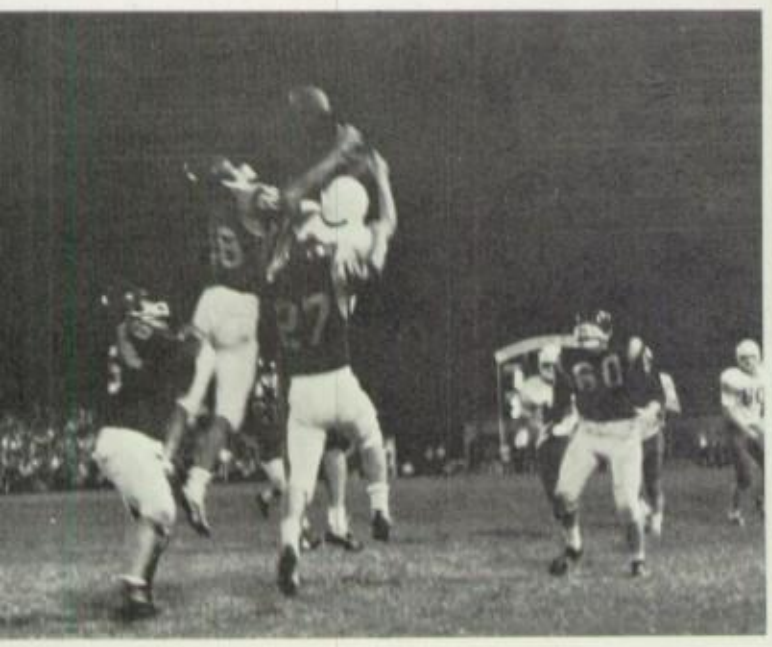
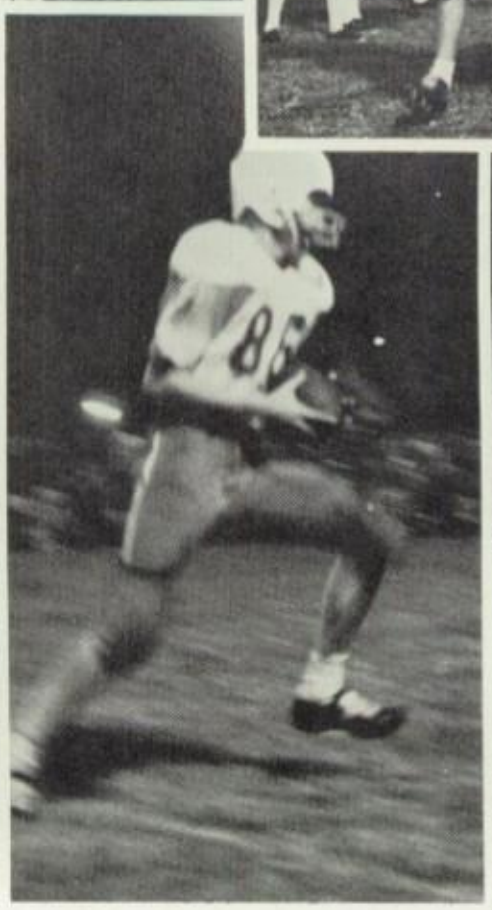
BEFORE THE GAME

We rest and think about what's ahead.

We warm up and exercise.

The captains meet the "refs," and if we are lucky, Carol runs us on the field.





Then we get on with the game. Feuge intercepts passes; Dwight returns for touchdowns; Roy (Bevo) threatens to sit on a Tivy Antler.

The team plays hard.

Mumme stiffarms a Tivy defender.

DEVINE

In the first quarter the Feuge-Koenig combination helps tie the game 6-6 with a 30 yard pass to Devine's 5 yard line. This was followed by a crash made by Mumme who scored from the four yard line. This was our only score of the game, while the opponents marked up again the third and fourth quarters to beat us in the first game of the season 19-6.

Gold hangs on to the ball with all his might and scuffles for extra yards.

BURNET

This game could well be called a fumble exhibition. Our first attempt to come back after Burnet gained a 6-0 lead resulted in a fumble on their two yard line with the ball rolling into the end zone for a touchback. Our next plunge started on our 20 yard line and was climaxed by a 46 yard dash by Mumme to the Burnet 20 yard line. On the next play we fumbled, and the ball was recovered by the Bulldogs. Their drive was stopped, and after they punted, we once more gained possession of the ball on the 50 yard line. Another fumble occurred after a 47 yard drive. Later in the second period, Oestreich returned a punt for 11 yards; Feuge picked up 19 yards in three carries, and a pass from Feuge to Koenig scores. Extra points run by Gold made the score 8-6 in our favor. After the half our first drive went from our 20 yard line to Burnet's 33. Then a 33 yard pass from Feuge to Friedrich ended the scoring, 14-6, a victory for the Billies.

TIVY

29-0 was the worse beating Tivy had taken from us in 40 years. Koenig scored from the seven following our first drive of 66 yards. Tivy's trials were quickly stopped after kickoff when Moldenhauer intercepted their first pass attempt. Our next drive ended on the one yard line. Feuge plunges over for the TD only to have it called back and replaced with a penalty.

Worry, Worry, Worry! Coach Sessom wears out sideline grass in tense moments.

Shortly after opening kick-off in the second half, the Antlers were stopped when Oestreich recovered a fumble on the Tivy 24 yard line. Gold scored later, and Mumme added the extra points to make the score 16-0. The ball exchanged hands through a fumble recovery, after a successful drive, Feuge scored from the seven. The last points were made on a 61 yard run from a pass by Oestreich. Another 70 yard sprint for a TD by Feuge was called back.

Everyone gets in the act, while Mumme tries to avoid a Schertz-Cibolo tackler.

SHERTZ-CIBOLO

In the first offensive play Oestreich intercepted a pass, started a 50 yard drive to the 11 yard line from where Feuge connected with Koenig to score. Later Dwight returned a 35 yard punt after four successful plunges, Mumme raised the score, 12-0, our favor. After the ball exchanged hands twice, Oestreich intercepted his second pass of the game and returned the ball to the Schertz 24 yard line. Mumme battled to the 15 from where Gold went over for the next TD, and Klett kicked the extra point. In the second half a Mumme-Koenig-Feuge drive resulted in a final effort through the middle to score. Mumme made the TD.

Moldenhauer reaches out for a nice over-the-shoulder pass.

Charlie Koenig gets twisted up by a Llano boy.

Now where is that stupid piece of cowhide?

Come on now, just one more to pass, and then all the way.

UVALDE

Uvalde scored its lone TD of the game early in the first quarter, only to have Feuge pick up a "white escort" through the middle of the Uvalde line for 45 yards, stopping at the 8 yard line. After four attempts we were halted at the one foot mark. After the next Coyote punt, Feuge again returned the ball to their nine yard line. After a short drive to the four, Koenig went around end to score. Koenig, alone in the end zone, took a pass from Brown off an opposition-confusing fake field goal attempt for two more points. After a punt in the second half, Feuge ran the ball 55 yards. After two failures, he tossed a neat spiral to Brown, waiting in the end zone. Klett wound up the game with an extra point to give us a 15-6 victory.

LLANO

Llano took an early 7-0 lead in the first period. After the kick-off, Feuge completed a long pass to Adams who ran the ball to the 18 yard line, got hit, and fumbled. This was the first of three fumble losses. Llano scored again the second quarter to pull into a 14-0 lead. The picture changed from what Llano thought was a sure victory to a partial disappointment in their eyes when Moldenhauer returned an intercepted pass from our 15 yard line to their 36. From there Feuge hit Charlie Koenig who stumbled over the goal line from the three yard line. Gold carried to the seven; Mumme to the three, and Gold followed up to score. An attempt for extra points by Gold failed. The game remained 14-14.

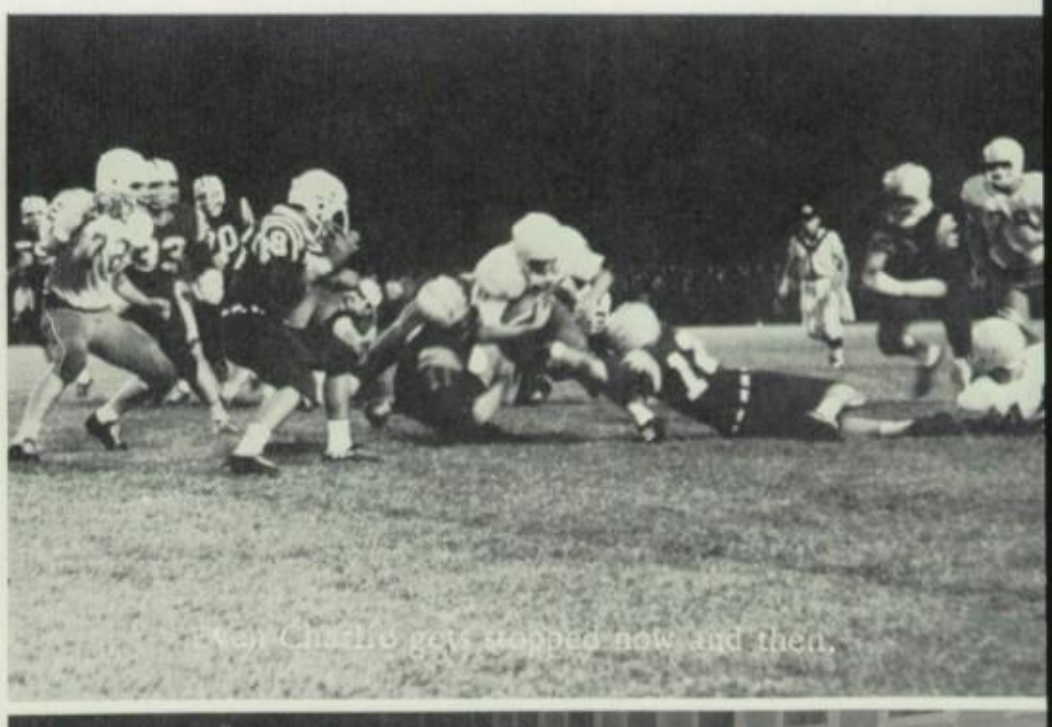
Looks like Mumme is going for a big gain this time.

Friedrich shows his heels.

MASON

Hard luck in the last minute of the game kept us from pulling the upset of the season after outrushing our host 217 yards to 209 yards, and outplaying the Cow-punchers the entire game. The opening score came when Brown tossed the snap to Koenig to tally on a fake field goal. Koenig added extras. Mason retaliated to make the score 8-6. Later Smith recovered a fumble and after a long run by Koenig, Gold followed with a scoring run. Klett booted the extra point to put us 15-6. With three minutes remaining Mason left us with a 15-14 margin. After a good Mason kick, the decision to send the ball into safe territory resulted in Feuge's blocked kick being recovered by Mason in the end zone for the winning touchdown. The 20-15 defeat was surely the biggest disappointment of the season, but it was only bad luck on our part.

Kirchner throws a nice block for Brown.



Wayne Smith gets stopped now and then.

Gold runs into Mason's Durst head down, while someone didn't get caught holding.

During the half we all have a coke and discuss our problems.

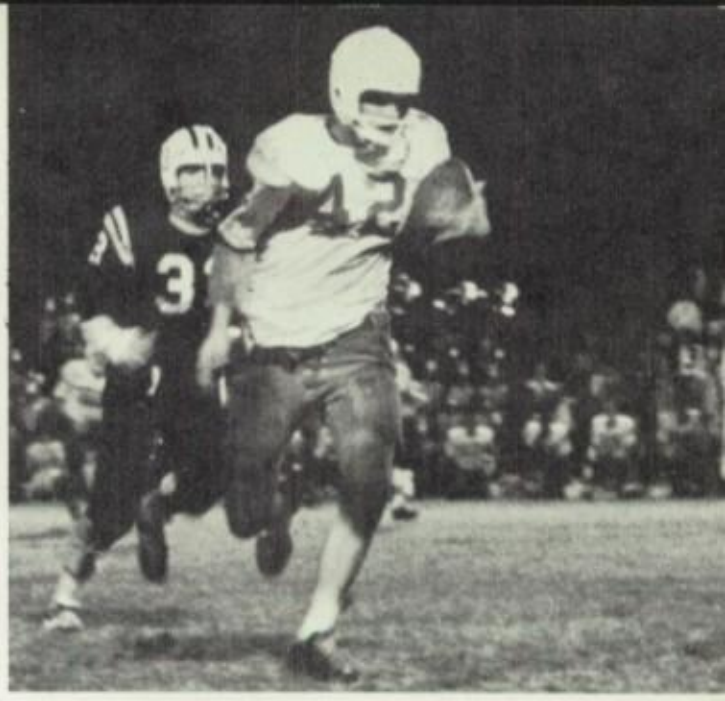
SAN SABA

The first quarter was uneventful. In the second quarter we fell behind 6-0. In the third San Saba scored again to give them a 14-0 lead on us. Late in the third quarter, after an exchange of punts, Mumme and Feuge pushed the ball from our 29 yard line to the San Saba 12 yard line. Then Feuge connected with Brown for our only score of the game. Late in the game San Saba kicked a field goal to defeat us 17-6.

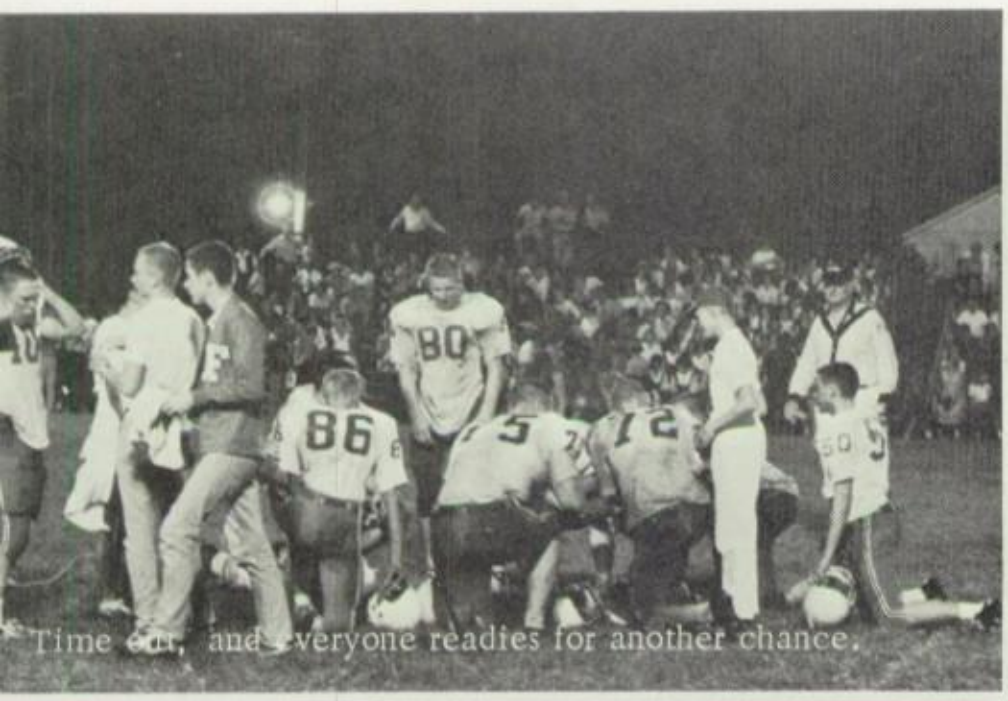
Wicker discusses the game with Kirchner during the half.

COLEMAN

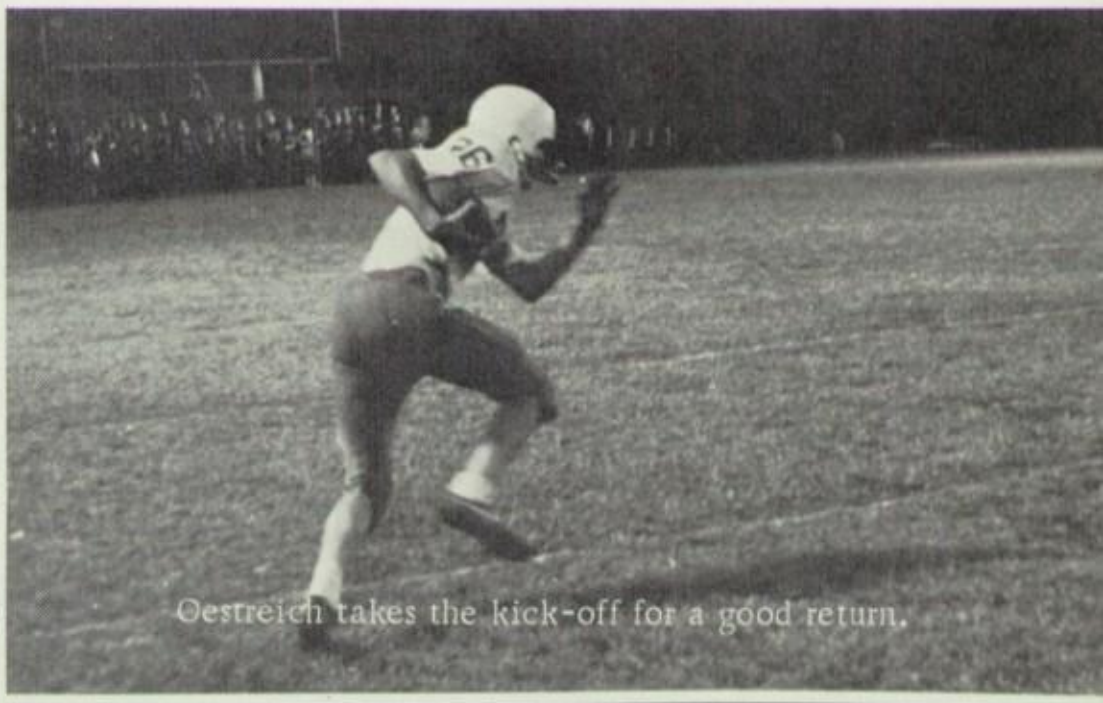
After 38 minutes and 24 seconds of splashing around in ankle deep mud, Coleman scored off a long pass. This was all we needed to get us going. Following the kick-off, Gold stomped down mud alley 41 yards to the Coleman 49 yard line. After two attempts Feuge finally reached Brown with a short pass. Brown outran the defenders to score. On the extra point attempt, the slimy ball slipped from Brown, trying to place the ball for Klett. The game remained tied 6-6. Then we hit the showers in full pads. This was certainly the dirtiest game of the season.



Adams runs for his life.

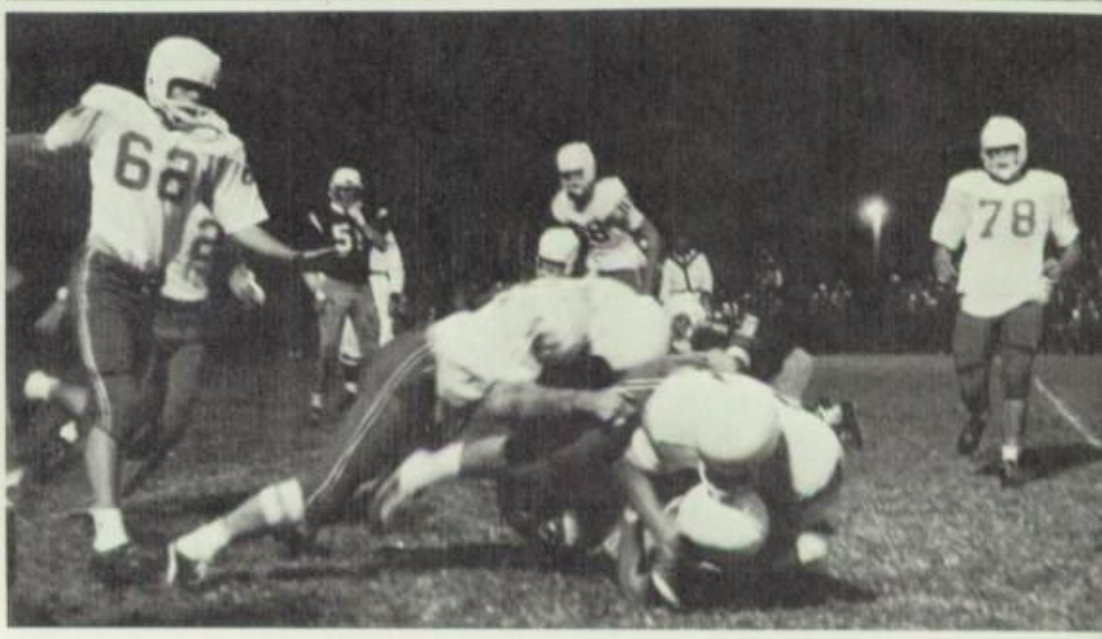


Time out, and everyone readies for another chance.

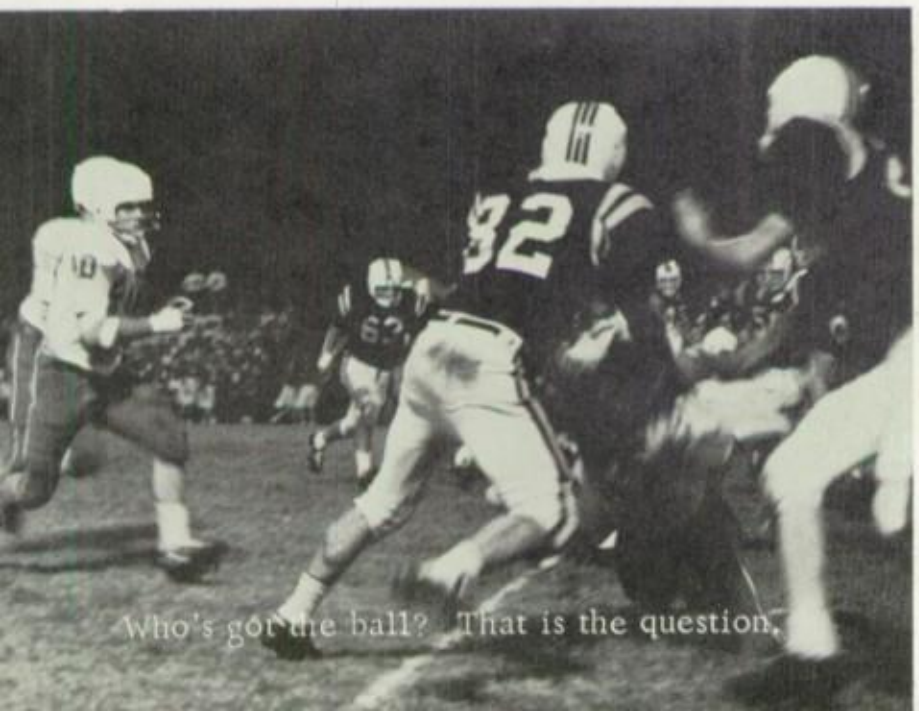


Oestreich takes the kick-off for a good return.

Feuge is gone this time.



"That one won't get up again," says Bevo and Kirchner.



Who's got the ball? That is the question.

BRADY

With a safety and a TD, the "dogs" secured a first quarter 10-0 lead. In the second period we settled down and drove the ball 79 yards to score. This lunge was climaxed by a 31 yard sprint by Feuge to bring the score to 10-6. By the end of the third quarter Brady increased its lead to 30-6. In the last part of the final period we launched our first determined attack. Feuge completed 5 out of 8 passes to Johnny Schleuter, Adams, and Koenig for 60 yards down to the one yard marker. From here Feuge fell over the goal line for another score. Koenig ran the extra points. The game ended 30-14.

Time runs out, and the crowd shows we won.

We get slaps on our backs now, and more from our best girl later.

After a rough gridiron clash, we get lectured or complimented, depending on the game and the breaks of the game.

We won four games, and out of the remaining six, the Billies were outlucked four games, but tied two.

That's what we like to see.

Give us the serenity to accept the things
that cannot be changed;
Give us the strength to change the things
that can and should be changed;
And give us the wisdom to distinguish the
one from the other.

SCHOOL DAYS, SCHOOL DAYS

Look Ma, Dan Wade and John passed their dental exams. We're "kissing cousins"!

Bevo, it's par 4 not 14 for the whole course.

My group had 25% fewer cavities!

These things run on what kinda power?

You're knitting a what, Bettye?

Let's all get together and have a ball!
